

SEA CLIFF ON THE GREENS
CLUB SERIES SOUTH
RESIDENT SPECIAL PARKING HANGTAG
AGREEMENT

There are only 72 guest parking spaces in Club Series South and 238 residences. Issuance of a Resident Special Parking Hangtag is a privilege offered to accommodate residents with more than three vehicles to park their 3rd vehicle in guest parking. With this privilege, the following rules must be met:

1. Three or more vehicles must be registered with Club Series South.
2. Two vehicles must be parked in the garage.
3. The 3rd vehicle with displayed hang tag may be parked in spaces marked Guest and Special Permit Holders. However, this vehicle is not authorized in the spaces that are marked "Guest Only".
4. The hangtag must be hung on the rear view mirror facing out and the Entry Decal must be permanently affixed to the lower left corner of the windshield. Both numbers must match and both must be visible at all times.
5. Vehicles are limited to 48 hours in guest parking and must be moved.
6. The parked vehicle must not extend beyond the concrete gutter.
7. Compliance with parking rules set forth in The Club Series South of Sea Cliff on the Greens Handbook of Rules and Regulation (Yellow Book).

I understand that any violation by me, anyone in my household or my guests may result in a citation, fine and/or towing without warning and voiding of special parking pass.

Failure to sign and return this agreement within 10 days will result in the previously issued hang tag to be revoked.
